enjoy work.

e.s. clima concept

Based on the e.s. clima concept you choose the warmth level you need for your physical activity.
The e.s. functional underwear and socks are the perfect solution whatever the job or temperature.

COOL

- for warm days
- pleasantly lightweight
- climate-regulating

LIGHT

- for warm days
- pleasantly lightweight
- temperatures above 0°C

WARM

- for colder days
- warming
- pleasant climate inside the garment

X-WARM

- for really cold days
- extra warm

- extremely breathable, fast-drying and highly elastic
